Dear Sir/Madam:

Nagaoka University of Technology (NUT) is currently inviting students from overseas universities to apply for the Nagaoka Summer School for Young Engineers (NASSYE) in 2020. This program is open to students in their third year of a university undergraduate program, or scheduled to graduate before August 31, 2021. The program offers students the opportunity to participate in research on the topics set by the laboratories at NUT, as well as cultural exchange.

Our university will accept 20 students from all over the world for 2020 Nagaoka Summer School for Young Engineers (NASSYE). The students participating in this program will receive the scholarship.

All programs of NASSYE will be conducted in English.

It is highly appreciated if you kindly put the enclosed poster on the notice board in your department or related department. And we would appreciate if you could inform the eligible applicants of the detail of this program. Please note that the application deadline is **April 3, 2020**.
